|--|--|----------------------|-----------------|
| Belarus (provided by Sorainen) | <p>Stay-at-home order has not been issued.</p> <p>Belarus did not declare an emergency situation, or order its citizens to stay at home. However:</p> <p>1) As a general rule, citizens entering Belarus from countries reporting COVID-19 cases are requested to self-isolate at home for 14 days from the date of arrival in Belarus and not leave Belarus, see Regulation of the Council of Ministers of the Republic of Belarus dated 25 March 2020 No. 171 “On Measures to Prevent Importation and Spread of Infection Caused by COVID-19” (link available here in Russian), effective from 28 March 2020, without set expiration date. On 11 June 2020 the Ministry of Healthcare announced that citizens who come from certain countries (e.g. Spain and Italy) are not required to be self-isolated for 14 days. The full list of these exceptional countries is available here in Russian. At the same time, these citizens are obliged to have a negative results of PCR-test performed no later than two days before the date of Belarus border crossing</p> <p>2) Everyone with a COVID-19 infection or who has first- or second-hand contact with someone infected is ordered to self-isolate (at home or otherwise), see Regulation</p> | Not applicable | Not applicable |
