

OPPORTUNITY WITHOUT LIMITS: SINGAPORE

SIDLEY

Sidley's office in Singapore is offering a joint two-year internship program with our office in London. Trainees will spend their first year in London completing rotations in two practice groups before completing their second year in Singapore. We welcome penultimate year law students from universities in the UK and Singapore who are looking for long-term career opportunities, with the possibility of securing an associate position in our Singapore office after qualifying as a solicitor in England and Wales.

About the Firm

Sidley is an elite global law firm. With approximately 2,300 lawyers and nearly 160 years of experience, we have established a reputation for deploying innovative legal strategies to achieve powerful results for our clients in complex transactional, restructuring, crisis management, investigation, regulatory, and litigation matters.

Our perspective and reach are truly global, supported by 21 offices strategically situated in key commercial, regulatory, and financial centers across the world. Our lawyers and business professionals, fluent in more than 75 languages, possess the cultural awareness and cross-border legal acumen needed to bring clarity to a dynamic business landscape.
